INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. 1.97(b)

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

This disclosure statement under 37 CFR 1.97 & 1.98 is submitted before the first Office Action in order that the Patent and Trademark Office may consider the relevancy of certain information to the invention described and claimed in the subject application, and in compliance with the regulations concerning information disclosure statements. Enclosed are copies of the following:

- a) documents described in the above-identified application, listed on the attached Form PTO 1449,
- b) the Search Report received in the corresponding application pending in the European Patent Office and an English language translation thereof; and

I hereby certify that this correspondence is being deposited, with the United States Postai. Service as first class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231, on $\frac{9/13/2002}{9}$
Dat∈
Raymond J. Harmuth, Reg. No. 33,896
Name of applicant, assigned Registered Representative
Registered Representative
signature September 13, 2002
Date

the documents cited by the European Patent Office in the Search C) Report and a corresponding English language equivalent, (except for document being submitted) listed on the attached Form PTO 1449.

This Information Disclosure Statement should not be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, that any reference mentioned herein constitutes prior art, or that the references listed, severally or in any combination with one another or with any other information, are believed to render any claim in the subject application prima facie unpatentable.

Respectfully submitted,

By Larni Huml Raymond J. Harmuth Attorney for Applicants
